b. Complete the online application form, accurately responding to all questions and items including statements indicating that they are:
1. physically and mentally able to safely perform or learn to safely perform essential functions of the job either with or without reasonable accommodations.

2. able to get to and from work at job sites anywhere within the geographical area that this apprenticeship program covers.

3. able and willing to attend all related classroom training as required to complete their apprenticeship.

4. able to climb ladders, scaffolds, poles and towers of various heights.

5. able to crawl and work in confined spaces such as attics, manholes and crawlspaces.

6. able to read, hear and understand instructions and warnings.

**Women and Minorities are encouraged to apply.**

**C - HOURLY WAGE RATE**
Rate as provided in the collective bargaining agreement (presently $29.80 per hour) will change in June 2019.

**D - CHARACTERISTICS OF THE TRADE**
Apprentice shall be under the supervision of a Journeyman Electrician at all times. The trade **requires physical effort** on the part of the Apprentice to do climbing, crawling, crouching and working in cramped quarters. Wiring is frequently coded in color for connecting purposes; therefore, the **worker must be able to identify colors**. Mechanical ability and finger dexterity is essential. Depending on the job, the work may be performed either indoors or outdoors.

**E – INTERVIEW**
Applicants will be selected in order of their final ranking.

The recruitment, selection, employment and training of apprentices during their apprenticeship, shall be without discrimination because of race, color, religion, national origin, sex or age—except the applicant must meet the minimum age requirement. The JATC does not and will not discriminate against a qualified individual with a disability because of the disability of such individual. The sponsor will take affirmative action to provide equal opportunity in apprenticeship program as required under applicable law and lawful regulations issued there-under.

When an applicant is selected for indenture a letter will be mailed to the applicant notifying of a scheduled orientation date and time that they must attend. Following the orientation all selected applicants, in order to be indentured, will be required to then take and pass a urine analysis drug test.

**F – WHEN INDENTURED**
1 – Must have a valid California driver’s license **at time of indenture**.
2– Must attend classes as required by the San Francisco Joint Apprenticeship and Training Committee.
3 – Must abide by standards adopted by the San Francisco Joint Apprenticeship and Training Committee.
