OFFICIAL ANNOUNCEMENT
for the Next
4,000 HRS PRIOR EXPERIENCE APPLICATION
for the
Electrician Apprenticeship (Inside Wiring)

For all basic information on the requirements for traditional application please see the OFFICIAL ANNOUNCEMENT “Application for Examination”

Applications will be held on June 4th & 18th 2021
1:00pm – 3:30pm

Only individuals present on this day and time, with all the required documents and a typed filled application will be allowed to apply.

A - REQUIRED DOCUMENTS FOR APPLICATION: (on day of application)

1 – Pre-filled out application, filled out (typed) and printed from sfelectricaltraining.com

2 – Photo Identification, such as a driver’s license, D.M.V. Identification Card, or Passport

3 – Proof of completion of school, i.e. High School diploma or transcripts, GED or a two-year Associate Degree or Higher.

4 – Undisputable documentation that defines their experience in the electrical construction industry. This documentation must be comprised of official documents of the following: notarized letters of experience confirmation and sworn statements along with tax/payroll records. Substantiated Electrical Construction work experience consists of working for a C10 Electrical Contractor and working on and performing installations of 110 volts and/or higher. Such documentation must remain with the applicant’s record. The JATC will examine all documentation submitted to determine qualification of the applicant and schedule an interview if needed. An absolute minimum of four-thousand hours of ELECTRICAL CONSTRUCTION WORK EXPERIENCE must be proven to meet this qualification. No other form of electronic or electrical experience/training or construction experience will be given credit under this provision

BURDEN OF PROOF IS THE APPLICANTS RESPONSIBILITY

Non-English Documents must be translated and notarized with the embossed notary seal.

B - APPLICATION REQUIREMENTS:

Individuals who can verify (by providing undisputable documenting evidence) that they have worked a minimum of four thousand (4,000) hours specifically in the electrical construction industry, may qualify for direct interview as determined by the JATC. To qualify under this provision, applicants must:
a. complete the online application form, accurately responding to all questions and items including statements indicating that they are:

1. physically and mentally able to safely perform or learn to safely perform essential functions of the job either with or without reasonable accommodations.
2. able to get to and from work at job sites anywhere within the geographical area that this apprenticeship program covers.
3. able and willing to attend all related classroom training as required to complete their apprenticeship.
4. able to climb ladders, scaffolds, poles and towers of various heights.
5. able to crawl and work in confined spaces such as attics, manholes and crawlspaces.
6. able to read, hear and understand instructions and warnings.

PLEASE NOTE:
All applications will be reviewed by the committee for acceptance. If the committee finds the documentation insufficient the applicant will be notified to return to the JATC on either 12/5/19 or 12/6/19, between 9am & 11am to complete another application for regular application processing.

Women and Minorities are encouraged to apply.

C - HOURLY WAGE RATE
Rate as provided in the collective bargaining agreement (presently $29.80 per hour) will change in June 2019.

D - CHARACTERISTICS OF THE TRADE
Apprentice shall be under the supervision of a Journeyman Electrician at all times. The trade requires physical effort on the part of the Apprentice to do climbing, crawling, crouching and working in cramped quarters. Wiring is frequently coded in color for connecting purposes; therefore the worker must be able to identify colors. Mechanical ability and finger dexterity is essential. Depending on the job, the work may be performed either indoors or outdoors.

E – INTERVIEW
Applicants will be selected in order of their final ranking.

The recruitment, selection, employment and training of apprentices during their apprenticeship, shall be without discrimination because of race, color, religion, national origin, sex or age-except the applicant must meet the minimum age requirement. The JATC does not and will not discriminate against a qualified individual with a disability because of the disability of such individual. The sponsor will take affirmative action to provide equal opportunity in apprenticeship program as required under applicable law and lawful regulations issued there-under.

When an applicant is selected for indenture a letter will be mailed to the applicant notifying of a scheduled orientation date and time that they must attend. Following the orientation all selected applicants, in order to be indentured, will be required to then take and pass a urine analysis drug test.

G – WHEN INDENTURED
1 – Must have a valid California driver’s license at time of indenture.
2 – Must attend classes as required by the San Francisco Joint Apprenticeship and Training Committee.
3 – Must abide by standards adopted by the San Francisco Joint Apprenticeship and Training Committee.
